**LOI Submitted to Health  
Research BC:** 11/16/2023 04:06 PM

**Prefix:** Dr.

**First Name:** April

**Middle Name:**

**Last Name:** Tester

### Personal Pronouns

he/him

### Organization Affiliations

---

Organization	Department	Job Position
Health Research BC-DO NOT USE	Research Competitions	Assistant Professor

### Host Institution

---

#### Host Institution

HEALTH RESEARCH BC-DO NOT USE

#### Department

Family Practice

#### Position

Post Doctoral Fellow

## Applicant Expertise and Experience

---

### Career Timeline

---

**Please identify your professional degree(s):**

I have a research degree (e.g. PhD or equivalent)

**Research Degrees**

**Name of terminal research degree (e.g. PhD Pharmacology)**

PhD Pharmacology

**Date of Degree Completion**

01/01/2021

**Name(s) and Date(s) of Additional Research Degrees (if applicable)**

MSc Pharmacology 07/01/2018

**Have you experienced any career interruptions?**

Yes

**Number of Career Interruptions**

One

### Career Interruption 1

---

**Career Interruption Start Date:** 01/01/2022

**Career Interruption End Date:** 06/30/2022

**Interruption Duration in Months:** 6

**Career Interruption Description:** Parental Leave

## Research Project

---

## Project Information

---

### Keywords

Pharmacology, Pharmaceuticals, Clinical Trial, Drug Resistance, Drug Delivery Systems

### Theme

Clinical Research

### Title

Enter the title of your Research Project. (200 characters)

### Lay Summary

The lay summary must be written in plain language that is suitable for a non-scientific audience. In the lay summary, please include:

- a description of the knowledge gap that is being addressed by the research
- a description of the research and KT activities
- anticipated outcomes
- potential impacts on practice, policy or future research

The lay summary may be used to identify appropriate peer reviewers for your application and will be used by staff to identify alignment with the interests of potential co-funding partners. If your application is successful, the lay summary will be posted on the Health Research BC website.

For guidance on writing plain language summaries:

- Health Research BC KT Encounters blog post from health literacy researcher Iva Cheung
- BC SUPPORT Unit plain language guide

1250 characters

### Scientific Summary

The scientific summary should be understandable by a multi-disciplinary group of scientific reviewers. In the scientific summary, please include:

- objectives/research questions
- a description of the research and KT activities
- anticipated outcomes
- potential impacts of this research on practice, policy and future research.

The Scientific Summary may be used to identify peer reviewers for your application.
