Confirmation of Appointment

Does the applicant have a current faculty appointment at your institution, or if successful in receiving this Health Research BC Health Professional-Investigator award, will they have a faculty appointment in place by July 1, 2024?

Yes

Confirmation of Resources

Do you confirm that the department/institutional resources and ongoing support will be made available to the applicant as outlined in the Department Head form?

OR

Do you confirm that the departmental/institutional resources, ongoing support, and required protected time for research* will be made available to the applicant as outlined in the Department Head form?

Scholars require 75% (30 hours per week) protected research time; HP-Is require 50% (20 hours per week) protected research time.

Yes

If you selected "no" to either of the questions above, please provide a brief explanation.
