

WHAT ARE THE BENEFITS OF LEARNING COMMUNITIES?

CARE PROVIDERS

- deliver high-quality care
- gain scientific expertise
- meet new connections
- become a valued provider

PATIENTS, PEOPLE WITH LIVED EXPERIENCE, FAMILY MEMBERS

- help others experience better health outcomes
- give back to your community

RESEARCHERS

- access practice-based data
- exposure to health care practice
- meaningfully contribute to scientific literature
- gain clinical connections

DECISION-MAKERS

- improved outcomes
- increased efficiency
- better staff retention and recruitment
